## NEWS

### President's Message

Well, after Howard Mills' resignation from the post of President Elect due to personal reasons, I thought that we would be in a bit of a pickle. Not so, David Humberstone has stepped up to the plate and will be our President from July. I wish him all the best in the role and I am sure that he will receive the support of everyone in the Club. This means we will be losing a very capable and hardworking secretary who has done so much for the club as I am sure you will all agree. However I am informed that we have a potential replacement, watch this space.

Other matters, Disabled Games (Sunday 14th April 2013) We have 8 volunteers down in the folder, We could do with a few more bodies in order to ensure the Snooker is covered adequately. Unfortunately I am away for this event. Most of the bodies will be needed in the morning and as the day progresses the matches will be fewer, so require fewer referees.

As mentioned on Monday there is a meeting of the South Yorkshire Clubs on 12th March 2013 at Carleton Park Hotel, Rotherham, to discuss redistricting, volunteers to attend have already put their names forward, more the merrier. It is good to see so many volunteers for committees for Millionaires and the VVR. VVR committee meeting after normal meeting on Monday 11th March.

Now is the time for things to get moving in preparation for the upcoming events, so hands to the pumps and off we go. Thanks to Phillip, Rod and Anne Winnard for their involvement with the MiG Committee and for keeping us informed as to progress. Thanks for your continued support.

## Meetings

4<sup>th</sup> February – Normal Meeting (Council Meeting cancelled (not Quorate))

President Steve welcomed members and guests to the meeting (including Hilary Smith {DAG} from Stainborough RC).

### Secretary's Notices

The visit proposed for 22<sup>nd</sup> April, and meal were now confirmed – anyone wishing to go should fill in the appropriate form in the folder.

A Thank you letter has been received from Abigail Knight regarding the sponsorship from the club for her visit to Morocco later this year. We have also received a thank you from the Children's Hospital for the recent donations.

The club were reminded of the Choir Night on 8<sup>th</sup> March in aid of Shelter, Barnardo's and other local charities being organised by Stainborough RC.

Rtn Stephen is currently in hospital in Austria nursing 5 broken ribs and fluid on his lungs following his recent Skiing accident. He will probably be there for 5-6 weeks. Club members were asked to contact him by email or phone. President Steve asked if there was anything Stephen needed to be done that people were willing to help him out. Get Well Soon, Stephen.

Dates for the Diary:-

18<sup>th</sup> February – Rtn Anne Willey is bringing Joan and Mel Jones to the meeting. Joan is going to give a talk about the IZAL factory. Brings back memories of my Grandmother – she had that in the house – lovely stuff! --- ED.

13<sup>th</sup> April – Wine & Wisdom evening (Grenoside Scout Hut)

President Steve advised that the Mistress Cutler has set a challenge - she will provide £50 and the challenge is to make as much money as you can in 6 months. Wondered if the club would like to take the challenge up. No firm, decision was made at this stage.

The club has received 2 invites (entitles up to 8 people to attend) to the Millennium Galleries for the 'Designed to Shine' exhibition celebrating 100 years of Stainless Steel - invite on Monday 25<sup>th</sup> February.

Rtn Peter P raised the issue that Sheffield Vulcan had held a Charity Collection at a supermarket and collected over £1000 in the day. He wondered whether the club should consider this. To be discussed further.

Disabled Games – need referees for Snooker. Rtn Philip advised that Rockley Club had asked whether Wortley have been approached to sponsor the snooker (at a cost of £300) – this has not happened yet. Awaiting formal request by post.

Rtn Philip also advised that he has provisionally booked a table at the Rockley Sportsman's Lunch (Cost £35 each), and asked whether there was any interest in going.

### Millionaires Night

President Steve said the evening attended last month was very enjoyable, and that there was a lot of organisation work to do to make any Wortley-run event as successful. There were 9 stalls / games manned by 11 people, 4 on the bar, 3 in the kitchen and 2 others making a total of 20 people .

The proposal is to have 2 dummy runs (1 at Wortley Golf Club, and the other at the George and Dragon (when the weather is better). Both will probably be geared to 50 people, and both the above places have the facilities for providing refreshments. There was a discussion regarding the organising, and it was suggested that the club should have a practice with the gaming equipment (or some of it) at a club meeting. Rtn Peter P advised that a provisional booking has been made for the Community Centre in Grenoside (£281 – with 50% deposit on booking). This year's event made approximately £2000, and there is a meeting a week on Friday at Grenoside to discuss the event to which the club is invited.

### Any Other Business

Rtn Barrie asked if members had seen the Dimpleby Lecture in which Bill gates spoke about the Gates Foundation and particularly the support for the eradication of Polio. RI came out very well in this lecture.

President Steve asked Hilary to pass on greetings to the Stainborough Club, and they were returned along with greetings form the DG. She did express disappointment at the fact that there was no Council Meeting, but President Steve reminded her that she had the consolation of winning the Weekly raffle.

The meeting then closed with the Loyal Toast.

11<sup>th</sup> February – Normal Meeting (No Speaker) – Council Meeting was held after the meeting

18<sup>th</sup> February– Normal Meeting with Speaker. As mentioned in the report for 4<sup>th</sup> February, Rtn Anne Willey introduced Joan and Mel Jones, who gave a talk about the IZAL factory, Chapeltown. ## REMEMBER THE 4-WAY TEST

- 1) Is it the TRUTH?
- 2) Is it fair to all concerned?
- 3) Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4) Will it be BENEFICIAL to all concerned?

### Who Am I

- 1) I was born on 1<sup>st</sup> August 1930, the youngest of 11 children in Stepney, East London. My father was a Jewish Tailor who worked in a Garden Shed.
- 2) I was an accomplished painter as a young man, and aged 14 obtained a scholarship to St Martin's School of Art, but gave up ambitions to be a painter after leaving, taking jobs in silk-screen printing works and commercial arts studios.
- 3) I changed my surname after completing my National Service with the RAF, and began to write songs, even though I couldn't read or write musical notation. I gained widespread recognition through writing Pop songs, which included "Living Doll", and "Little White Bull". I wrote the theme tune to the 1963 Bond Film, "From Russia with Love".
- 4) I had, by then, moved into Musical Theatre, my first musical being "Lock up Your Daughters" in 1959. This led up to "Fings Ain't Wot They Used T'be", before probably my most famous musical, which played in the Wet End and on Broadway, before being turned into a film in 1968 – that was "Oliver". However, due to outside issues, I ended up being declared bankrupt in 1972.

5) I continued to write songs and themes for films, and in 1986, received a special Ivor Novello Award for my life's achievement. I was romantically linked with Judy Garland and Alma Cogan, although I was in fact gay. After a long struggle with cancer, I died on 3<sup>rd</sup> April 1999, and my funeral took place at Golders Green Crematorium.

This Month's Joke (a montage of topicality, this time)

Tesco are giving double clubcard points on burgers and petrol starting on Monday. The deal is called Only Fuel And Horses.

If you like their burgers you should try the meatballs, they're the dogs bollocks

"There are rumours that those burgers were sexually assaulted before being sold. Prime suspect is Jimmy Saddle"

I went to Tesco today for some Bacardi, some Captain Morgan and some beefburgers. Came away with white rum, dark rum and a bit of red rum

"Tesco's burgers - low in fat but high in Shergar"

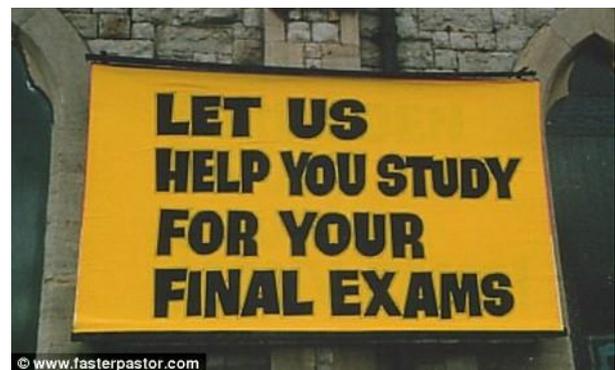

I just checked the Tesco burgers I have in my fridge. And they're off!

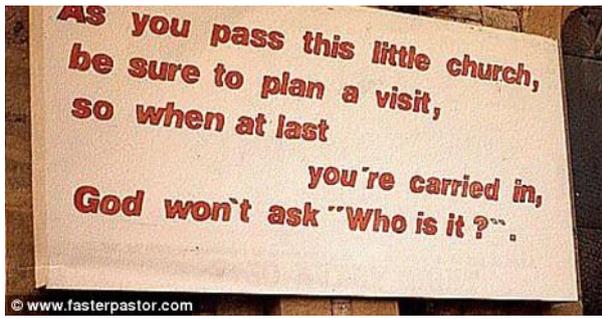

With the Tesco burgers, it's not the 29% horse-meat I'm concerned about... What percentage is Jockey?

Traces of zebras found in Tesco barcodes.

With all this nonsense about horse meat in our food, did you know that an anagram of HAMBURGERS ..... is .....SHERGARS BUM !!!!!!!!!!!!!
