ROTARY:  
MAKING A  
DIFFERENCE

No. 03/18

## PRESIDENT'S MESSAGE

Many thanks to the Rotary Club of Wortley who donated £500 to "NANNA MOON". As you know, I organised a charity event for both her and the brain tumour charity. We had plenty of raffle prizes which were all donated and auction prizes. The star prize at auction was a bouquet of roses designed and created by a local blacksmith and donated to "Nanna". On the night we collected around £6500, which I am sure will go a long way to making the time "Nanna" has comfortable.

Many thanks to RTN PHILLIP and Jenny, RTN ANNE and RTN PETER PERRY for attending the night.

Anyway, I have not got long left as President this year, and look forward to handing over to Rtn STEPHEN and hope that during 2018/2019, you support him as much as you supported me through 2017/2018

President Trevor

### Meetings

#### 5<sup>th</sup> February – Normal Meeting followed by Council

President Trevor welcomed members to the meeting. No visits to other clubs were reported.

### Secretary's Notices

Letter from Laura, Paul and Ian Clarkson circulated round the table for members to read thanking the club for best wishes following the recent death of former member Eric (see the February bulletin for club tribute).

--

Rtn David H advised that contact from Rotherham Council via their Neighbourhood unit had been received regarding the Santa Sleigh. They were wanting info about how the event is run etc. Together with President Trevor, they had attended a meeting at Rotherham Town Hall today, and the upshot is that we may be asked to run the Sleigh into Keppel Ward, and a proposal from the council is likely to be received for consideration shortly.

President Trevor updated the club regarding the Defibrillators and the partnership with Ecclesfield Parish Council. Following a visit by himself and Rtn Anne, it appears that the funds will cover 6-8 Defibs. The council will be handling the maintenance.

President Trevor advised that he is organising a Race Night to raise funds to support a friend's friend who has cancer. He asked if the club would like to support this either individually, corporately, or both. The event is at the Wharnecliffe Arms on 24<sup>th</sup> February.

### Any Other Business

Rtn Anne reminded members about the talk on 19<sup>th</sup> March about the Oaks Colliery disaster, and to try and get as many people there as possible.

Question was asked as to whether anyone knew how Rtn Mike P is. President, Rtn Philip and Rtn Jacob are planning to visit him later this week, and will report back.

The meeting closed in the usual way, and was followed by a Council meeting.

#### 12<sup>th</sup> February – Normal Meeting

President Trevor welcomed members to the meeting.

Visits to other clubs – Rtn Steve P reported that himself and 3 other members visited Abbeydale for the recent Quiz. Rtn Robert G, in his capacity of being "Team Captain" reported that it was a "Celebration of Mediocrity". Rtn Steve P added his own comments. See Events for a further report.

Rtn Steve K advised that he has a number of positions to fill in preparation for his year as President, and asked that members consider what they would be prepared to do. He also asked whether the club wished to have a Christmas party this year, and what members would like to do. There was a discussion, and the issue will be progressed and discussed again.

Rtn Geoff mentioned 2 projects he has received via International:-

- i) The DG is looking for clubs to provide financial support for SAND DAMS, and pledges are required. If pledge is greater than £500, the club's name will appear on the plaque. The process requires £9k to qualify for a global grant. The feeling in the club was that it warrants supporting, and the issue will be pursued.
- ii) RC of Rotherham Sitwell support a small charity "People in Need" which provides support in Romania. They want to know whether we would like to help them support this cause, and someone from the charity would be available to come and talk to the club if necessary. This will also be pursued.
- iii) There is a VVR committee meeting tomorrow.

Rtn Anne reminded members about the talk on 19<sup>th</sup> March (Oaks Colliery Disaster).

Rtn Peter P advised that our VVR is listed in Morgan's year Book, and asked if any member would like him to get a copy of it. He also advised that the wheel he mentioned at a previous meeting is now on the Santa Trailer.

Hon Rtn Lewis advised that there are only 2 seats left for the Whitby trip in July.

Rtn John E advised that he will be unavailable in March when he is down for duties on the rota. Alternatives were arranged.

Rtn Philip advised re the following:-

- i) 8 members of the club are going to attend RC of Lincoln Charter on 2<sup>nd</sup> March.
- ii) MiTG – days are now finalised (see last month's bulletin or the MiTG website for details. The Friday Night is earmarked for President Trevor's farewell to his year, and a Gazebo has been hired for the night.

President Trevor gave an update on the Race Night on 24<sup>th</sup> February as mentioned at last week's meeting. Rtn Barrie asked if the club donation had been sorted – this was confirmed.

The meeting closed in the usual way.

### 19<sup>th</sup> February – Normal Meeting

President Trevor welcomed members to the meeting – no visitors this week, and no visits to other clubs were reported.

### Secretary's Notices

- 1) Note circulated asking if anyone knows a pianist who would be prepared to help with a group in Ecclesfield.
- 2) Various Charter Nights / Presidents Evenings coming up:-
  - a) 17/3 RC of Rotherham President's Evening
  - b) 13/4 Abbeydale

--

President Trevor updated members regarding the Charity event to raise funds for the local lady who has cancer, and thanked the club and members for supporting the event.

### Any Other Business

Rtn Steve K reminded members to consider the vacant posts underpinning his year as President, and asked that consideration is given toward filling them.

President Trevor advised that he and Pres-Elect Steve are going to Fox Valley to try and drum up some prospective new members. Rtn Barrie asked about what advertising may be used – there are some pull-up advertising signs detailing what Rotary is all about that will be taken.

Defibrillators – Rtn Steve K advised that it may be possible to get some funding from District for this in addition to the funding we have committed. There is now a device installed outside the conveniences in Chapeltown (unsure as to whether

it is live yet). Progress on this rollout will be checked with the council.

Rtn Stephen D reported that the VVR committee met last week, and the organisation of the event is moving on. There was a meeting with Wortley Hall at which some outstanding issues were raised and resolved.

Rtn Peter P asked who has the photo published in Look Local re the partnership with the council – President has it and will send it to him. He also asked for any old spectacles to be brought to him as they can be recycled for use in Africa.

Rtn Philip gave an update on the organisation for this years' MiTG event.

The meeting then closed in the usual way.

### 26<sup>th</sup> February – Normal Meeting

President-Elect Steve welcomed members and guests Rtns Roger Green & Paul Daniels from RC of Rotherham Sitwell and Danny Thompson and Joseph Walker from “People in Need” Worldwide.

### District Quiz – Round 1

#### Question Time

The opening round of the District Quiz was held at Abbeydale Sports Club on 7th February, and Wortley's team (Trevor, Steve K, Steve P and Robert G) joined over twenty other clubs in a charmless upstairs room to decide which three (the bar set high!) would go through to the district final.

Somebody once said that ‘a little learning is a dangerous thing’; well, it is if you're in a quiz set by this quizmaster. No, we didn't know what was the national animal of Albania, nor were we aware that a nidologist studied birds' nests; but we knew all about xenophobia and who shot Mrs Ghandi. This balanced approach earned us 67 points (never mind out of what) and ensured some sort of respectability. As Julius Caesar never said, we came, we saw, we didn't quite conquer!

Many thanks to Abbeydale Club for hosting the event, Trevor for driving the team there and back, and the Sports Club kitchen which eventually saved Steve P from starvation. Congratulations to Abbeydale (them again!). Bakewell and Matlock on moving forward to higher things.

## REMEMBER THE 4-WAY TEST

- 2) **Is it fair to all concerned?**
- 3) **Will it build GOODWILL and BETTER FRIENDSHIPS?**
- 4) **Will it be BENEFICIAL to all concerned?**

### Who Am I

1. I was born on 27<sup>th</sup> June, 1880 in West Tuscumbia, Alabama. I had 2 siblings and 2 Half-brothers from my father's previous marriage. My father served as a captain in the Confederate Army and my paternal lineage was traced to Switzerland, where one of my ancestors was the first person to teach the deaf in Zurich.
2. When I was 19 months old, I contracted an unknown illness which led to me becoming both deaf and blind. I was able to communicate using sign language by the time I was 7. A year later, I began attending an Institute for the Blind, and 6 years later, aged 14, began attending a school for the Deaf. During this time, I was introduced to a former student, Anne Sullivan, who was visually impaired, who became my instructor, then governess, and eventually companion. By 1900, I gained admittance to Radcliffe College, Harvard. I was introduced to the Oil Magnate Henry Huddleston Rogers, who funded my education. I graduated in 1904 with a Bachelor of Arts degree.
3. I learned to speak, and learned to "hear" people's speech by reading their lips with my hands. I became proficient at using Braille, and reading sign language with my hands as

well. I also found that I could "hear" music by putting my fingertips on a resonant tabletop. I began delivering lectures and speeches on aspects of my life, which I continued to do for the rest of my life. Anne's health deteriorated from around 1914, and Polly Thomson, a young Scottish woman, was hired to keep house. Anne died in 1936, and Polly and I moved to Connecticut and began travelling worldwide raising funds for the blind.

4. I gradually became a world-famous speaker and author, and an advocate for people with disabilities. I met every President from Grover Cleveland to LBJ, and was friends with Alexander Graham Bell and Mark Twain amongst others. I wrote 12 published books and a number of articles. I was a socialist, supporting Dubs in his failed attempts to win the Presidency, a suffragette, pacifist, and a birth control supporter. In 1920, I helped found the American Civil Liberties Union. I joined the newly formed American Foundation for the Blind as an adviser and fundraiser in 1924, helping them to get donations from the likes of Henry Ford and John D Rockefeller. A play based on my life, "The Miracle Worker" opened in 1959, and was made into a film in 1962.
5. In 1957, Polly suffered a stroke, and was unable to care for me. She died in 1960. I suffered a series of strokes in 1961, and developed diabetes, which led to me spending the remaining years of my life at my home. In 1964, I was awarded the Presidential Medal of Freedom, and a year later, was elected to the National Women's Hall of Fame. I died on 1<sup>st</sup> June, 1968 aged 87. A service was held at the National Cathedral in Washington DC, where my ashes are buried. Since my death, a number of posthumous honours have been awarded, one of which is the naming of a hospital in Sheffield, Alabama in my honour.

### This Month's Joke

Two businessmen were sitting down for a break in their soon-to-be new shop...

As yet, the shop wasn't ready, with only a few shelves set up.

One said to the other, "I bet any minute now some pensioner is going to walk by, put their face to the

window, and ask what we're selling."

No sooner were the words out of his mouth when, sure enough, a curious old woman walked to the window, had a peek, and in a soft voice asked,

"What are you selling here?"

One of the men replied sarcastically, "We're selling ass-holes."

Without skipping a beat, the old dear said, "Must be doing well...Only two left."

- 1) A Kensington man is said to be making a handsome living now by advertising for a wife, and requiring all applicants to enclose stamps for reply. His letters have to be sent up in a wheelbarrow.
- 2) An accepted suitor one day, walking with the object of his affections hanging upon his arm, and describing the ardency of his affections, said: "How transported I am to have you hanging on my arm."  
"Upon my word," said the lady, "you makes us out a very respectable couple, when one is transported, and the other hanging !"
