Representatives from the organisations will be invited to attend the club to receive their cheque. There will be no fixed date for a group presentation to avoid disappointment between charities regarding the sums allocated. Council has emphasised that only one representative from each charity will be a guest of the club. Extra attendees will have to pay for their meal. The cheque to Foundation has been posted to RFUK.

A discussion followed regarding other locations where they could be planted. Hon Rtn Lewis pointed out that in view of the fact that crocuses should die off before being cut, any planting in areas where grass is cut by the council needs to be carefully considered.

Rtn Philip advised that he had brought some apples and tomatoes for members to purchase for a donation to club funds – they were all snapped up.

EVENTS

Club Bowls evening

Members, family members and guests met up at Thorncliffe Bowls Club on the evening of 8th September for an evening of fun and fellowship organised expertly by **Rtn Barrie**. We each played 3 games of 9 ends, and at the end of the evening, the 2 players with the most points received a prize as “Winner” and “Runner-up”. The evening was rounded off with Pie and Peas. **Rtn Steve P** and **Hon Rtn Lewis** thanked Barrie for organising the event, and hopefully the exercise will be repeated again next year sometime. Some games got very competitive – Barrie was called in to measure one end during a match between Rtn Bob and his son Blake – funnily enough the end was declared “dead”. The pictures below were taken during the evening:-

REMEMBER THE 4-WAY TEST

- 1) Is it the TRUTH?
- 2) Is it fair to all concerned?

- 3) Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- 4) Will it be **BENEFICIAL** to all concerned?

Who Am I

- 1) I was born on 4th February 1915, in Marylebone. My father was a chauffeur and my mother was a dressmaker who worked for west-end theatres. Both my brother and me were raised in poverty, and were frequently hit by my father. After spending a time in a children's home in Deal, I ran away but came back to become an errand boy in a grocer's shop on leaving school at 13. A year later, having being kicked out of home by my father, I walked to Cardiff and became a cabin boy in the Merchant navy.
- 2) I later worked as a coal miner, waiter and page boy. I enlisted into the King's Own Royal regiment (Lancaster), but my mother had me discharged for being under age. I then re-enlisted as a drummer boy in the 10th Royal Hussars, and in 1930, was posted to Lucknow as a bandsman. I gained an education certificate, rode horses, became flyweight boxing champion of the British Army in India, and learned to play trumpet and clarinet.
- 3) On the outbreak of WWII, I went to a comms centre, meeting Winston Churchill on several occasions, before joining the Royal Corps of Signal. During the War, I also discovered I had a talent for entertaining, and began to develop these skills. My routine began at this time, so after the war, I made my debut as a professional entertainer, initially working as the straight man to David Nixon the magician.
- 4) Two years later, I starred in the West End, and began to make comedy films

for the Rank Organisation. These included "Trouble in Store" which earned me a BAFTA for the Most promising Newcomer in 1954, and possibly the most famous "The Square Peg", for which I wrote the screenplay, in 1958. In all these films, I played a character called Norman Pitkin, playing a junior to a straight man. In 1966, I starred in a Broadway production of the musical comedy "Walking Happy" and was nominated for a Tony award. I was knighted in 2000.

- 5) I had become a cult figure in Albania by this time, and my visit in 2001 to Tirana for the games versus England was well received. I was made an honorary citizen of Tirana. I retired from the entertainment industry in 2005, and announced that I wanted to spend more time with my family having moved to the Isle of Man. I still did occasional acting work. I died on 4th October 2010, and my funeral took place 18 days later in Douglas. My trade-mark cloth cap was placed on the coffin. There is a statue of me sat on a seat outside the Sefton Hotel on the promenade.

This Month's Joke

A rubbish collector in Sydney Australia is driving along a street picking up the wheelie bins and emptying them into his compactor. He goes to one house where the bin hasn't been left out and in the spirit of kindness, after having a quick look about for the bin, he gets out of his truck, goes to the front door and knocks . There's no answer.

Being a kindly and conscientious bloke, he knocks again - much harder. Eventually a Japanese man

comes to the door. "Harro!" says the Japanese man. "Giddy, mate! Where's ya bin?" asks the collector. "I bin on toiret," explains the Japanese bloke, a bit perplexed.

Realising the fellow had misunderstood him, the bin man smiles and tries again. "No ! No ! Mate, Where's your dust bin?" "I dust been to toiret, I toll you!" says the Japanese man, still perplexed.

"Listen," says the collector. "You're misunderstanding me. I mean, Where's your wheelie bin?" "OK, OK. " replies the Japanese man with a sheepish grin and whispers in the collector's ear. "I weelie bin having sex wiffa wife's sista!"

Another Quick joke

A senior citizen said to his eighty-year old buddy: 'So I hear you're getting married?'
'Yep!'
'Do I know her?'
'Nope!'
'This woman, is she good looking?'
'Not really.'
'Is she a good cook?'
'Naw, she can't cook too well.'
'Does she have lots of money?'
'Nope! Poor as a church mouse.'
'Well, then, is she good in bed?'
'I don't know.'
'Why in the world do you want to marry her then?'
'Because she can still drive!'
