Issue 102

### PRESIDENT'S MESSAGE

I'm sure we were all sad to hear of the passing of Barrie Clinton on August 27<sup>th</sup>. This wasn't a surprise as his health has been somewhat fading for a few months, but he will be missed.

He was the longest serving current member being awarded a PHF, Past President and was club treasurer for a number of years, not forgetting his involvement as officer in charge of the Parker Whitley Investment Club. Our thoughts and prayers are with Pat and their family. David will advise us of the funeral arrangements.

This year's South Yorkshire Festival has now been and gone, another very well attended event at Wortley Hall & the organisers can have no grumbles whatsoever of our parking of vehicles in the field in front of the hall. No one from the organisers have confirmed the number of vehicles parked but it was over a thousand I'm sure. We haven't as yet received their cheque .

As reported last month our VVR was probably the best attended to date in respect of entrants and paying customers with circa £6400 profit on the day, once again well done to everyone.

For anyone that isn't aware we are now meeting at WHH on the first, second and third Mondays of each month with the remaining Monday/s being a non-formal social evening to be held at various venues, hopefully attended by friends & family - please advise of any suggestions. It is intended that Monday 30th September be at Kimberworth Bowl, more details will follow from secretary David.

District are aware of our change, you will have seen this on the District Newsletter David sent to everyone on Sunday 25th August.

WHH are ok with us meeting three times each month, they were most supportive, I ask all members to be equally supportive and, if possible, bring along guests to our social evenings.

During September we need to discuss and agree our Christmas and Santa programme.

Looking forward to seeing you all at the next meeting on 2nd September.

Bye for now

Philip

### Who Am I

1. I was born in Los Angeles, California on January 13<sup>th</sup>, 1919. My parents divorced when I was a year old, and I was raised by my mother. I spent my early childhood in Limerick in Ireland, became fluent in French and Italian, and did not learn English until returning to LA. My maternal grandfather was an opera singer, and I had an uncle on my paternal side who was a Baritone.
2. By the time I was 20, I had achieved minor fame as a sportsman, playing polo and shooting. My brother and I won the International Outboard Motor Championships in Italy, and I became a member of the All-American Skeet team when aged 16 setting two world records and becoming National champion. I was inducted into the National Skeet Shooting Hall of Fame in 1971. I also took drama courses at Bridgewater State College.
3. When I visited the Universal Picture lot when aged 20, I was offered an opportunity to enter Showbusiness by Joe Pasternak. My first film was "First Love" (1939) alongside Deanna Durbin. I was in a number of films over the next 2-3 years including a United Artists film "To Be or not to be" (1942) alongside Jack Benny and Carole Lombard where I played a Polish pilot. During the War, I served as an Aerial Gunnery Officer and gunnery instructor in the US Navy.
4. After the war, I resumed my career, most of which were low-budget films, before appearing with John Wayne in "The High and Mighty". Other films during this period included "Written on the Wind" (1956) (for which I received an Academy Award nomination), "The Fifth of Love" (1958) alongside Lauren Bacall, and "John Paul Jones" (1959) alongside Bette Davis. At the same time, I appeared in the award-winning ABC TV show "The Untouchables" playing the part of Eliot Ness, winning an EMMY in 1960 for this part. During this time, I married Rosemarie Bowe.

5. After the Untouchables ended, I had small roles in a couple of films before starring in a drama series "The Name of the Game" between 1968 and 1971. I played the lead in "Most Wanted" (1976) and played a similar role in "Strike Force" (1981). After appearing in the comedy "1941", I became a comedy actor, appearing in "Airplane" (1980), "Big Trouble" (1986) and "Beavis and Butt-Head do America" (1996) amongst others. I began hosting "Unsolved Mysteries" in 1987. In 1996, a Golden Palm Star on the Walk of Stars was dedicated to me. I had treatment for cancer in 2002, and died from Heart Failure on May 14<sup>th</sup>, 2003.

### This Month's Joke

**Mike and Yvonne were 85 years old and had been married for sixty years. Though they were far from rich, they managed to get by because they carefully watched their pennies.**

**Though not young, they were both in very good health, largely due to Yvonne's insistence on healthy foods and exercise for the last decade.**

**One day, their good health didn't help when they went on a vacation and their plane crashed, sending them off to Heaven.**

**They reached the pearly gates, and St. Peter escorted them inside. He took them to a beautiful mansion, furnished in gold and fine silks, with a fully stocked kitchen and a waterfall in the master bath. A maid could be seen hanging their favourite clothes in the closet. They gasped in astonishment when he said, 'Welcome to Heaven. This will be your home now.'**

**Mike asked Peter how much all this was going to cost. 'Why, nothing,' Peter replied, 'remember, this is your reward in Heaven.'**

**Mike looked out the window and right there he saw a championship golf course, finer and more beautiful than any ever built on Earth.**

**'What are the greens fees?' grumbled Mike.**

**'This is heaven,' St. Peter replied. 'You can play for free, every day.'**

Next they went to the clubhouse and saw the lavish buffet lunch.

'Don't even ask,' said St. Peter to Mike. This is Heaven, it is all free for you to enjoy.'

Mike looked around and nervously asked Yvonne 'Well, where are the low fat and low cholesterol foods and the decaffeinated tea?'

'That's the best part,' St. Peter replied. 'You can eat and drink as much as you like and you will never get fat or sick. This is Heaven!'

'No gym to work out at?' said Mike  
'Not unless you want to,' was the answer.  
'No testing my sugar or blood pressure or...'  
'Never again'

Mike glared at Yvonne and said, 'You and your Flipping Bran Flakes. We could have been here ten years ago!'

#### More funnies (They walk among us)

- 1) One day I was walking down the beach with some friends when someone shouted - "Look at that dead bird!". Someone looked up at the sky and said..."Where?"
- 2) My sister has a lifesaving tool in her car which is designed to cut through a seat belt if she gets trapped. She keeps it in the car trunk.
